Independent Auditor's Report

To the Members of PL Capital Markets Private Limited

Report on Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of M/s PL Capital Markets Private Limited ("the Company"), which comprises of the Balance Sheet as at 31st March 2023, Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023 and its profit (or Loss) and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern,

disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements:

Our objectives are to obtain reasonable assurance on whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under section 143(3)(i) of the Companies Act, 2013. We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion, our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

•

Significant
accounting
policies
and Notes
to the
financial
statements

1 Background

PL Capital Markets Private Limited was incorporated on 7th April 2007 and is wholly owned subsidiary company of Prabhudas Lil Services Private Limited. The company is principally engaged in providing merchant banking services.

2 Statement of Significant Accounting Policies

(i) Basis of Preparation

The financial statements have been prepared to comply in all material respects with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the Companies Act, 2013. The financial statements have been prepared under the historical cost method on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous periods.

(ii) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current facts and circumstances, actual results could differ from these estimates.

(iii) Revenue Recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from financial advisory services, issue management, loan syndication is recognized based on terms of agreement with the client.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable and on doubtful or difficult of recovery.

Dividend is recognised in respect of investments in units of mutual fund when the unit holders' right to receive payment is established.

(iv) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All others are classified as long-term investments. Investments are classified into current and long term investments. Current investments are stated at cost and market value. Long Term investments are stated at cost less provision, if any, for permanent diminution in value.

(v) Fixed Assets and Depreciation

(a) Fixed assets are stated at cost (or revalued amounts, as the case may be), less accumulated depreciation and impairment losses if any. The cost includes purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to the acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period ready to be put to use.

(b) Depreciation on fixed assets is provided on written down values as per the useful lives of the assets specified in Schedule II of the Companies Act, 2013.

(c) Depreciation on additions/deductions during the year has been provided pro-rata from/up to the date of additions/deductions.

(vi) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal or external sources. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the maximum of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects the average cost of capital.

(vii) Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities with the Income-tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent of reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty of convincing evidence that they can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that they have become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which the deferred tax assets can be realized.

The carrying amount of deferred tax assets is reviewed at each balance sheet date. The company writes-down the carrying amount of deferred tax assets to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which the deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain that sufficient future taxable income will be available.

(viii) Cash and Cash Equivalents

Cash comprises of cash on hand and demand deposits with bank. Cash equivalents are short term, highly liquid investments that are known amounts of cash and which are subject to an insignificant risk of changes in value.

(ix) Retirement Benefits

(a) Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss account year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

(b) The company follows the provisions of The Payment of Gratuity Act 1972, but without any ceiling and gratuity is accrued and provided on an actuarial valuation on projected unit credit method made at the end of each financial year.

(c) Leave encashment has been provided based on actual leave balance as at year end.

(d) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

(x) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xi) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are measured at the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect changes in estimates.

(xii) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.
